

Week of:
August 26th-30th

Family Connection

Prince of Peace School

This Family Newsletter is published weekly and sent home with the youngest student each Thursday. Please post your copy at home or work as a reminder of school events and activities.

Invoices

The first invoices for Extended Day and Aftercare are in today's folder. They will go home every Thursday for the prior week. You can send your payments back to the office in the red folder or drop them in the lock box on the porch.

THANK YOU!!

We have received a two wonderful donations. One from the parishioners of St. John's Church and the other from a Grandparent of one of our families. The money will be put to use for the needs of the students, teachers, and school building. We are going to be able to purchase items that were on our long term wish lists and do some updating around the school building. We would like to express our deep gratitude to our donors.

PA Family Event

Please see the flyer in today's folder. We are SO looking forward to our first event of the year and seeing all the families together. There is a QR code on the flyer, please make sure to scan it so we can have a count on how many people are attending and for ways you can help.

Class Dojo

We are using Class Dojo in every classroom, including Aftercare this year. It allows for easy communication between the teachers and you, the parents. You are also able to message not only the teacher but also myself at any time. I am in each classroom if you need to reach me for anything. If you have not done so yet, please sign-up for the classes your child is in.

Important Information

- *Donna Mooreland, our counselor, has provided a packet in today's folder of the services provided
- *Every child should have a water bottles at school
