This Family Newsletter is published weekly and sent home with the youngest student each Thursday. Please post your copy at home or work as a reminder of school events and activities.

Fall Fest

Parents Association needs your help! In today's folder you will find the flyer for the event. Please scan the QR code to tell us if your family will be attending and if you can help in any way. There will be a photo booth, food, games, and activities. It's going to be a GREAT time! We can't wait to see you next Friday, September 13th from 5:30-7:30 in the school gym.

MAP testing

We have begun MAP testing this week in grades K-8. Children in grades K-1 take math and reading tests. Children in grades 2-8 take math, reading, and language arts tests. We take these tests 3 times a year to help monitor the students' progress, find any gaps in their learning, and determine if there are any areas in which the students excel. These tests are required by the Diocese of Covington and can not be opted out of. The reports from these tests go home with each report card. If you have any questions please email me at crice@popcov.com

Bikes

Is your child in need of a bike? We have partnered with St. John's Church and a men's group to bring bikes to our students in need. If you are interested please email me or call the office.
