### Illness Policy

Be aware that the illness policy states that if your child is sent home from school, there is a 24 wait period for them to return. We aware that this poses an inconvenience for you, especially if they woke up the next morning feeling slightly better. Even though they may be feeling more themselves, the virus can still be there and still spread. Please help us cut down on the spread of illness in the school. the full policy can be found on our website under Handbook.
