

Week of:
January 13th-17th

Family Connection

Prince of Peace School

This Family Newsletter is published weekly and sent home with the youngest student each Thursday. Please post your copy at home or work as a reminder of school events and activities.

Around the School

Montessori learned if you're kind to others, you are kind to Jesus.

Kindergarten is using penguins to put their numbers in order.

Primary made 2D shapes using other shapes.

Third Grade and Ms. Rice have been working together on simple winter stories while Mrs. Klaiss is out.

Jr High began are learning about algebraic inequalities in Math.

Drop-off and Pick-up

Reminder, when arriving in the morning you should go **AGAINST** the arrows. You will then either proceed to park or pull around to drop your student off at the steps. Proceed through the parking lot with extreme caution as children are walking into the building.

At pick-up, go **WITH** the arrows and proceed to park. Please fill in the spots **CLOSEST** to the street first as it makes it easier for those arriving later. If you need to speak with a teacher please park on the perimeter. Once children have begun to exit the building the lot is **CLOSED**. Park on the street and I will help your child make it safely to you. Covington Police Department asks that it be right turn only when we are stopping traffic. Please share this information with your drop-off and pick-up person.

Tax Information

Tax Information forms are in this week's red folder.

MAP Testing

Testing is ongoing. Please do the following:
Make sure your child is getting plenty of sleep and avoid scheduling outside appointments during the testing window.
If this can't be avoided, contact the school.
