

Week of:
January 6th-10th

Family Connection

Prince of Peace School

This Family Newsletter is published weekly and sent home with the youngest student each Thursday. Please post your copy at home or work as a reminder of school events and activities.

Around the School

Montessori began their month long study of Polar regions.

Kindergarten drew beautiful pictures of their winter break.

Primary wrote their goals for 2025.

Third Grade and Intermediate teamed up on Wednesday for some back to school Science fun.

Jr High began their unit on Confirmation.

Inclement Weather

For those of us that love snow, this may be our winter! Please know that many factors go into my decision to delay or cancel school. The safety of the faculty, staff, and students is my top priority. Notifications for calamity days go out via EMAIL, DOJO, and FB. Please make sure you have your push notifications turned on for those apps. As always, if we have school and you are unable to attend due to the weather in your area, please notify the school so that we may count it as an excused absence.

MAP Testing

MAP Testing will begin next week. K- 1st will take Reading and Math during their computer class. 2nd-8th will take Reading, Math, and Language Arts throughout the next two weeks. To help set your child up for success please do the following

1. Make sure your child is getting plenty of sleep
2. Make sure they eat a healthy balanced breakfast and send them with a snack and water
3. Avoid scheduling outside appointments during the testing window. If this can't be avoided, contact the school.

Tax Information

Tax Information forms will be in NEXT week's red folder.

Upcoming Dates
